M.H. AlMahroos Launches New Website

To keep the pace of the economic and marketing growth of the Kingdom of Bahrain and the GCC, M.H. Al Mahroos has gone a step further to be close to its customers and distributors. New features like PDF catalogues,

product videos and communication tools with M.H. Al-Mahroos staff have been added.

As Bahrain and the GCC are going into the online era, one must adapt and conform to the

new environment. With the popularity of E-marketing, as a company we felt this step was necessary to facilitate our services for customers and distributors.

New Brand: Daikin Air Conditioners

M.H. Al Mahroos, Bahrain has recently added one more prestigious brand from Japan, Daikin. They are among the world's top manufacturers of air conditioners, with a solid reputation for reliability and world renowned excellence.

The products are displayed at your main showroom at Manama. We would be glad to give you a demonstration on some of the above products. For further information and enquiries, you may please refer to our 'Products' page or call us at our

main showroom at Manama in Bahrain.

Beta Dealer Meeting

On the 6th of April, 2010, Beta Middle-East representatives and M.H. AlMahroos staff met to discuss new products, services, underlying issues.

It was a pleasure for M.H. AlMahroos to welcome and host all participants.

M.H. AlMahroos Signs Agreement with Genie

Genie is a world leader in the production of material lifts, portable aerial work platforms, scissor lifts, and self-propelled telescopic and articulated booms. Al-Mahroos are proud to have such an esteemed company join our family.

We look forward to the added services our company will provide, in addition to working with Genie representatives.

“Genie is a world leader in the production of material lifts, portable aerial work platforms, scissor lifts, and self-propelled telescopic and articulated booms”
